If only three or four Committee Members are present, this action will require a unanimous vote of all Committee Members present; or
3. This matter had been placed on Agenda and posted previously at prior meeting within the last five-days and was continued until this meeting.

To provide an opportunity for all members of the public who wish to address the Committee, a time allocation of 5 minutes for each individual speaker and 30-minutes total time for public testimony on an item has been established.
